# Message from the Board of Trustees

Dear Latin Community,

We are writing to announce that Thomas Hagerman has decided to step down from his role as Head of School at the end of the school year. Thomas has asked that we share the following message with all of you:

*"I wanted to share with all of you that, after considerable reflection, I have decided to step away from my role at Latin at the end of this school year.*

*This decision comes after a great deal of thoughtful deliberation. As the year has unfolded, I have been repeatedly reminded about the importance of attending more intentionally to my health and overall sustainability. Stepping away at the end of the year allows me to do so in a way that is responsible, while also ensuring continuity and care for the work of the Latin community during this transition. I am deeply grateful for the relationships, collaboration, and shared purpose that have defined the past four years, and I take real pride in what we have accomplished together in service of our students and community.*

*Thank you for your partnership and for the many ways you have and continue to show up for our students and broader community every day. I am appreciative of all we have built together, and I wish each of you continued growth and success in the promising future ahead."*

We would like to express our gratitude to Thomas and are grateful for his dedication to Latin and for all that he has accomplished. He is leaving the School well-positioned for the future, academically, financially and as a community.

We will begin a national search for Thomas's successor in the coming weeks. In addition, we will be working collaboratively with Thomas and our Senior Administrative Team on a transition plan to guide the School during this period and are planning for an interim Head of School for the 2026-27 school year.

Please join us in thanking Thomas for his dedication to Latin and wishing him good health and all the best.
